## FOR SECURITY SERVICES

# COMPANY PROFILE

[www.gulfshieldsecurity.com](http://www.gulfshieldsecurity.com)

Each day, Gulf Shield Company for Security Services

solves tough problems: we secure and protect our client's people, assets and their reputation. Our clients see us as a vital interconnected partner in Iraq that they can not on rely on to carry out our duties, but also to go the extra step to ensure their project success.

In less than ten years of operation, we have been witness to the growth of the company, which has grown from our construction and logistics heritage to today operating on behalf of some of the biggest clients Iraq.

We operate across a broad range of sectors, such as the Oil and Gas, financial services, infrastructure and construction to delivery and service support. Our clients include Fortune 500 companies, Governments and Non-governmental Organizations and humanitarian relief organizations.

We recruit our personnel with the mind set of multiplicity, our personnel come with a array of skill's with the same common and prevailing objective, to protect and enhance our clients business and securing their workplace

Headquarter in Basra, and with regional offices in Baghdad, Al Kut, Karbella, West Qurna 2 and Al Faw, our operations extend into every major oil field in both the North and South of Iraq along with all the provinces that make up the country.

## Our Values

We conducted our business in accordance with our company values, which are quality and commitment to our clients, professionalism to our work and integrity. We are a member of the International Code of Conduct and follow the principles of the Voluntary Principles of Security and Human rights – which we ensure to make sure, are part of our strategy, culture and day-to-day operations.

### Reliable

We deliver what our clients expect, what Gulf Shield has built on has been on the reputation of client care and a commitment to deliver the best in class services

### Flexible

We act with the sense of urgency and are renowned for our ability to deliver within small and tight time lines.

### Accountable

We understand the importance of compliance and maintain this to a high standard

### Responsible

We are committed to our deliverance of security and the protection of our clients and their assets

## Innovative

We know our business and where we are in the market place, we also know and are confident on where we are heading and the best route to follow to get there.

As a local company, we understand the market as well as the culture, which puts us in the best place to deliver the security to the correct level that our clients want.

As the Market Leading Iraqi Security Company, we are paving the way for a Stronger, Safer and more effective Security to our clients.

“GULF SHIELD WERE ABLE TO QUICKLY ADAPT TO OUR REALITY AND FACILITATED OUR WORK REQUIREMENTS, ITS THEIR ABILITY TO BE FLEXIBLE AND MEET OUR DEMANDS THAT MAKES THEM STAND OUT FOR OTHER COMPANIES OPERATING IN IRAQ TODAY”

BASRA INTERNATIONAL HOTEL

- Fully licensed and regulated
- Local National First approach
- Investment into training Iraqi Nationals to International Standards
- Information led intelligence
- Risk Mitigation based Security Solutions

## Protective Security Services

Our Protective Services has been developed to be functional in a complex and emerging market with the focus on delivering flexible, discreet, risk mitigating based security services, with the main deliverable being our customer satisfaction.

We employ more than 1000 staff and are fully licensed and compliant with all the regulatory standards with Iraq.

We are proud to be a member of the International Code of Conduct (ICoC) and implement and promote the standards across the company.

Since our establishment our clients in the defense, oil and gas and infrastructure, diplomatic and non-governmental sectors have trusted us as a responsible and transparent partner.

As a local company and backed our expert international members, we have a deep understanding of our client's requirements and their specific business needs, as well as the environment that they have chosen to work in.

Our teams are fully trained to highest standard at our own training academy and are regularly checked and re-trained by are own Training Management System.

## Mobile Security Services

Gulf Shield is able to offer corporate and executive Mobile Security Protection Services designed for personnel who have to travel in Iraq. Our teams are configured to the client's requirements and their expectations to complete their contractual obligations. All of our Teams are trained specially for the role that they are adopting and are tailored made for each request. The teams operate under the Company's Standard Operating Procedures, which are inline with PSC1 and are continually updated and revised to remain current and reflective of the operating environment as well ensuring there are service is cost effective to our clients. They can be deployed at any project work site and any other locations away from the secure accommodation where the clients reside. Teams also provide close protection on foot in any dismounted role whilst on task. Gulf Shield Security has access to a large number of highly experienced, well-trained close protection officers. Experienced operational management and APT personnel ensure seamless relief and maintain a high level of situational awareness.

We can provide our clients with a wide variety of vehicles to suit their needs, from B6 Armored Toyota Land Cruisers and Pick-ups to heavy lift capable vehicles such as Minivans and Toyota Coaster's.

Our Operational footprint allows us to work in every major all concessions such as Rumalia, Zubiar, West Qurna 1 and 2, Majnoon and Badra.

## Static Security Services

Our experience in the Provision of our Static Security is second to none. We produce highly trained, reliable and job experienced personnel to fulfill our commitments. This is made possible by our own and outstanding Training Academy. We are currently providing numerous Static Guard Contracts across the South of Iraq including Life Support Facilities, Port Facility's, Rig sites, schools and hotels.

It's our dedication to our clients that see them come back to us with to secure their next projects.

We supply our security based on the best and latest available intelligence and threat assessments versus the requirements of the clients needs.

Alongside our Man Guarding Solutions, we also operate our own K9 Explosive Detection Unit, which is a capable, tested and proven unit that is not only effective as Detection but it also as a deterrent to terrorism and criminal activity.

## Rig Security

Gulf Shield has created a bespoke Rig Security service, which we can offer to our clients, it is a turnkey solution that includes the service from start to finish. This includes the movement Rig to site and the full set up of all the Security Aspects to the manning of the site location. All of which will meet the minimum standards of the concessional owners.

# The Training Academy

Gulf Shield have developed Iraq's first Training Academy, which provides bespoke training courses to corporate and private clients, as well as other Private Security Companies. It is an investment not only into the company, but also into Iraq's Security Environment, aiming at raising the standards across the board.

Every course that is delivered at the center is run through the accrediting awarding body, such as EDXCEL, Persons, and Royal College of Surgeons via our Joint Venture with Horizon Medical and Security of the UK. With full time instructors placed in the Academy we can offer Iraq's widest range of course.

## First Person on Scene Intermediate

This 5 day course offers an in depth instruction on first aid and is the minimum requirement qualification requirement for most concessional areas.

## Close Protection – BTEC Level 3

The 16 day Close Protection Course is bespoke to Gulf Shield and each course offered is tailor made to the clients, this is a minimum requirement for most concessional areas

## Health and Safety Level 2

A two and day course which is delivered by our RoSPA Advance Driving Instructor covering all aspects of driving. Delivered at either our center or at your site location.

## RoSPA Driving Assessment Course

A two and day course which our RoSPA Advance Driving Instructor covering all aspects of driving delivers. Delivered at either our center or at your site location.

Approved HABC Centre

## The Range Facility

As part of the commitment and investment back into itself, Gulf Shield have built Iraq's first and only legal range facility in the southern Province of Basra. Located at our own stand alone Headquarters in Burgesia, we play host to numerous Private Security Company's as they use our purpose

With our 100-meter indoor range, we can offer the client the ability to fire from 25 through to 100 meters with our moving target gallery range. While the outdoor range is more basic, it is perfectly set up for new shooters and zero'ing of weapon systems.

To make best use of the client's time whilst at site, we have also purpose built a lecture hall for the deliverance of training lesson. A 56-seated lecture hall, decked out with modern chairs set back with elevated viewing is all focused towards the latest Ketab Display units. Whilst being able to supply a driver training area, fully enclosed with T-Walls.

## Logistical Movement and Logistical Security

Gulf Shield has established a partnership with Gulf Trust, one of Iraq's leading logistical companies to provide a Full Solution when it comes to the movement of your equipment securely.

With the partnership, we can offer our clients the peace of mind that the goods will be transported from ship to shore to site. With offices in Al Faw and Safwan and our own importation license, we are fully adverse to the legal requirements inside of Iraq. These goods can be delivered directly to the door anywhere inside of Iraq.

Our Security Teams who escort the delivery have the ability to be either high or low profile, depending on the goods and the client's requirements, with a mixture of Armored and Soft Vehicles.

We have supplied our services to Governments, both national and international, clients from the Oil and Gas and Commercial Sector, as well as infrastructure and construction companies.

With an array of Heavy Goods Vehicles and local knowledge and expertise, your service is a completely turnkey solution from collection to delivery.
